CHARLES AND DIANA; THE MUSICAL; by Lewis Papier, directed by Clyde Baldo

"The exception comes from Kate Greer, who crisply plays the determined yet passionate Camilla Parker-Bowles, and is believable not only as Charles's long-time flame, but a theatrical stand-in for the real woman. Decked in a riding outfit, Greer provides as much of the heart and soul of English nobility as the musical ever finds and she sings her songs with a delightful fervor and conviction.

SOUTHERN GENTLEMEN AND OTHER MYTHS by Thomas C. Dillehay directed by Stephen Huff

"The acting - from everyone - was of high caliber... Kate Greer was particularly impressive in the emotionally demanding role of Mai.. Her portrayal of this southern farm woman was extremely credible and moving."

SHAKESPEARE'S FOOLS & LOVERS Adaptation by Gregory Wolfe and Greg Sherman directed by Gregory Wolfe

"But love is not restricted to only Romeo and Juliet, as even the goofy wedding photographer (James Wolfe) and our MC/jaded caterer (Kate Greer) take part in the hilarious coupling and uncoupling that leave to bask in the warm glow of this enchanting musical valentine"

-- Andy Probst, *Backstage Online*
